

30957 Gunn Avenue
Mission, British Columbia British
Columbia V4S 1H2

Powered by homes.abbynews.com

\$4,600,000

6 Bedrooms

One of the only non-developer owned properties left in Phase 1 (Central Neighbourhood) of Silverdale, Mission's Master Planned Community that will nearly double the city's size with a projected 17,000 units and 40,000 residents at build out. Major developer owns roughly 1,500 acres in Silverdale and is spearheading development efforts. See Master Infrastructure Study completed in late 2019 for more info, neighbourhood planning being undertaken as we speak. Several other exclusive listings on Gunn Avenue for potential assembly. Where else can you find near-term development land for under 900k per acre?
