Beautiful, well maintained situated on a large flat south facing lot. The main floor is bright and open. Newer, bright white kitchen has quartz counters, a gas range and tons of windows that let the southern exposure flood in. Steps out to large partly-covered deck. Also on the main, living room with wood-burning fireplace, dining room with sliding doors to deck, 2 (used to be 3) spacious bedrooms (master features w/i closet, flex area). Downstairs is a huge rec room, 2 bedrooms (one with patio doors to backyard), spacious laundry room and powder room. Yard is great for entertaining and includes greenhouse, veggie beds, storage shed and fire pit. Many awesome updates like roof 2012 & newer vinyl windows.
