Over 7000 sq. ft. lot - backing onto church property. Quiet cul-de-sac location - great for families. Great open floor plan with 9 ft. ceilings in main area. Awesome kitchen area (stove is currently electric but also plumbed for gas) with a corner pantry and island. Master bdrm ensuite has soaker tub and separate shower plus a walk-in closet. 2 bdrm suite with separate entry - great mortgage helper. Well worth viewing.
