East Abbotsford RANCHER, fully remodeled by Copper Creek Construction a truly gorgeous home. Beautiful white oak floors flow through a bright, open-concept layout. White chef's kitchen features premium Old World cabinetry, JennAir appliances, and a large entertaining island beside a spacious dining area. Elegant great room showcases a cast concrete fireplace surround. Dining and living areas open to a private backyard retreat with a large covered patio and custom natural gas fireplace, ready to enjoy. Three bedrooms on the main, one currently used as an office with custom built-ins. Loft offers a 4th bedroom, media room, or playroom. Every inch is finished to perfection, top to bottom. This home feels and is like a brand new, with top-tier finishes throughout. A true masterpiece.
