Come join the owners in Alpen Haus. Great Location, great view, great neighbors. This ski in/out location is a very rare find. Only minutes from skiing/boarding and the day lodge and pub in winter and right at the trail head for hiking, biking, and quadding in summer. Park your car on the day you arrive and don't move it again until your mini vacation is over, unless of course you want to play the Sand Piper Golf course, (just 25 minutes away), or you want to fish one of the many lakes near by. For quadders, Harrison Lake is only 45 minutes away in summer. The west Harrison trail system boasts hundreds of kilometers of machine only trails that come with some of the best mountain views in the world.
